

A Spring Piano Recital

*Congratulations to graduating high school senior, Tyler Johnson. Ms. White has nurtured Tyler's love of music and composition since he began piano lessons with her in 2017. He performed his first composition at his first recital with her called, *Night in a Castle Garden*. Tyler went on to compose other pieces such as, *Valles Lilliorum in C Minor*, which took first place in the Intermediate Music Composition of the Young Artists Audition competition.*

*Both Melba and her late son, David White, have been instrumental in supporting Tyler's love of music theory, composition, technique, musicality, and showmanship. He received ratings of superior for his performance of *American Sonatina* in the 2022 Sonatina Competition with the support of Melba and David White. Tonight he performed two of his own compositions, *Valles Lilliorum in C Minor* and *Insomnia*. Tyler plans to attend NC State University this fall majoring in Computer Science and minoring in music.*
